

proc_notification_thread
_callback

```
graph LR; A[proc_notification_thread_callback] --> B[post_notification_event]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'proc_notification_thread_callback'. The right box is white and contains the text 'post_notification_event'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

post_notification_event
