

get_controller

```
graph LR; A["cli_argument_end_station::get_completion_options"] --> B["get_controller"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'get_controller'. The box on the right is white with a black border and contains the text 'cli_argument_end_station::get_completion_options'. A dark blue arrow points from the right box to the left box, indicating a call or relationship between the two.
