

AEM Descriptors - Clause 7.2

rtp\_payload\_subtype  
: RTP Payload Subtypes

```
graph LR; A["AEM Descriptors - Clause 7.2"] <-- B["rtp_payload_subtype : RTP Payload Subtypes"]
```

The diagram consists of two rectangular boxes connected by a horizontal line with a triangular arrowhead pointing from the right box to the left box. The left box is white with a black border and contains the text 'AEM Descriptors - Clause 7.2'. The right box is gray with a black border and contains the text 'rtp\_payload\_subtype : RTP Payload Subtypes'.
