

printCurrentGroupStarted

```
graph LR; A[printCurrentGroupStarted] --> B[TestOutput::printCurrentGroupStarted];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'printCurrentGroupStarted'. The right box is white with a black border and contains the text 'TestOutput::printCurrentGroupStarted' on two lines. A dark blue arrow points from the right side of the gray box to the left side of the white box.
