

stream\_input\_desc\_count

```
graph LR; A[stream_input_desc_count] --> B[desc_count]
```

The diagram consists of two rectangular boxes. The left box is light gray with a black border and contains the text 'stream\_input\_desc\_count'. The right box is white with a black border and contains the text 'desc\_count'. A dark blue arrow points from the right side of the gray box to the left side of the white box, indicating a pointer or reference relationship.

desc\_count
