

end_stations

```
graph LR; A[avdecc_lib::controller_imp::controller_imp] --> B[end_stations]
```

The diagram consists of two rectangular boxes. The box on the left is light gray with a black border and contains the text 'end_stations'. The box on the right is white with a black border and contains the text 'avdecc_lib::controller_imp::controller_imp'. A dark blue arrow points from the right side of the white box to the left side of the gray box.
