

jdksavdecc_descriptor
_memory_object_get_memory
_object_type

```
graph LR; A["jdksavdecc_descriptor  
_memory_object_get_memory  
_object_type"] --> B["jdksavdecc_uint16_get"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains three lines of text: 'jdksavdecc_descriptor', '_memory_object_get_memory', and '_object_type'. A blue arrow points from the right side of this box to the left side of a second, white box. The second box contains the text 'jdksavdecc_uint16_get'.
