

MAAP - Multicast Address
Allocation Protocol

MAAP Print

```
graph LR; A[MAAP Print] --> B[MAAP - Multicast Address Allocation Protocol]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'MAAP - Multicast Address Allocation Protocol'. The box on the right is white and contains the text 'MAAP Print'. A horizontal arrow points from the right side of the 'MAAP Print' box to the left side of the 'MAAP - Multicast Address Allocation Protocol' box.
