

gst_avbsink_render

```
graph LR; A[gst_avbsink_class_init] --> B[gst_avbsink_render];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'gst_avbsink_render'. The box on the right is white and contains the text 'gst_avbsink_class_init'. A dark blue arrow points from the right side of the white box to the left side of the gray box, indicating a call or relationship from the class initialization function to the render function.
