

igb_free_receive_structures

```
graph LR; A[igb_free_receive_structures] --> B[igb_free_receive_buffers]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'igb_free_receive_structures'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'igb_free_receive_buffers'.
