

printTestsStarted

```
graph LR; A[printTestsStarted] --> B[TestOutput::printTestsStarted]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'printTestsStarted'. The right box is white with a black border and contains the text 'TestOutput::printTestsStarted'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

TestOutput::printTestsStarted
