

log_imp

```
graph LR; A[log_imp] --> B[logging_thread_init]; B --> C[dispatch_thread];
```

A flowchart illustrating a sequence of three steps. The first step, 'log_imp', is enclosed in a gray rectangular box. A dark blue arrow points from the right side of this box to the left side of the second box. The second step, 'logging_thread_init', is enclosed in a white rectangular box with a black border. Another dark blue arrow points from the right side of this box to the left side of the third box. The third step, 'dispatch_thread', is enclosed in a white rectangular box with a black border.

logging_thread_init
