

mrp_monitor

```
graph LR; A[mrp_monitor] --> B[mrp_monitor_thread]; B --> C[msg_process];
```

A flowchart illustrating a sequence of three components. The first component, 'mrp_monitor', is represented by a gray rectangular box. A dark blue arrow points from its right side to the second component, 'mrp_monitor_thread', which is a white rectangular box with a black border. Another dark blue arrow points from the right side of the second box to the third component, 'msg_process', also a white rectangular box with a black border. The components are arranged horizontally from left to right.
