

get_stream_info_flags

~stream_input_get_stream
_info_response

```
graph LR; A[~stream_input_get_stream_info_response] --> B[get_stream_info_flags]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'get_stream_info_flags'. The box on the right is white and contains the text '~stream_input_get_stream_info_response' on two lines. A blue arrow points from the right box to the left box, indicating a relationship or dependency.
