

startChecking

```
graph LR; A[startChecking] --> B[SimpleStringBuffer::clear];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'startChecking'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'SimpleStringBuffer' on the top line and '::clear' on the bottom line.

SimpleStringBuffer
::clear
