

jdksavdecc_audio_mappings
_format_set_mapping_stream_index

```
graph LR; A[jdkravdecc_audio_mappings_format_set_mapping_stream_index] --> B[jdkravdecc_uint16_set]
```

A diagram showing a mapping from a source identifier to a target set. The source identifier is 'jdkravdecc_audio_mappings_format_set_mapping_stream_index' and the target set is 'jdkravdecc_uint16_set'. A blue arrow points from the source to the target.

jdkravdecc_uint16_set
