

freePacketHandle

WindowsPCAPNetworkInterface  
::~~WindowsPCAPNetworkInterface

```
graph LR; A[WindowsPCAPNetworkInterface  
::~~WindowsPCAPNetworkInterface] --> B[freePacketHandle];
```

The diagram illustrates a call to the `freePacketHandle` function from the destructor of the `WindowsPCAPNetworkInterface` class. A blue arrow points from the destructor code block on the right to the `freePacketHandle` function block on the left.
