

stream_port_input_desc
_count

```
graph LR; A[stream_port_input_desc_count] --> B[desc_count]
```

A diagram showing a relationship between two variables. On the left is a gray rectangular box containing the text 'stream_port_input_desc' on the top line and '_count' on the bottom line. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text 'desc_count'.

desc_count
