

e1000_copper_link_autoneg

```
graph LR; A[e1000_copper_link_autoneg] --> B[e1000_phy_setup_autoneg]; A --> C[e1000_wait_autoneg];
```

A flowchart with a single starting node on the left, 'e1000_copper_link_autoneg', which is shaded gray. Two blue arrows point from this node to two separate nodes on the right. The top node is 'e1000_phy_setup_autoneg' and the bottom node is 'e1000_wait_autoneg'. Both nodes on the right are white with black borders.
