

jdksavdecc_aem_command
_enable_stream_encryption
_set_key_id

```
graph LR; A["jdksavdecc_aem_command  
_enable_stream_encryption  
_set_key_id"] --> B["jdksavdecc_eui64_set"]
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains three lines of text: 'jdksavdecc_aem_command', '_enable_stream_encryption', and '_set_key_id'. A blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'jdksavdecc_eui64_set'.
