

~descriptor_base_imp

```
graph LR; A[~descriptor_base_imp] --> B[avdecc_lib::delete_field]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text '~descriptor_base_imp'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'avdecc_lib::delete' on the top line and '_field' on the bottom line.

avdecc_lib::delete
