

installPlugin

```
graph LR; A[installPlugin] --> B[TestPlugin::addPlugin]
```

A diagram showing a call from the `installPlugin` function to the `TestPlugin::addPlugin` method. The `installPlugin` node is a gray rectangle on the left, and the `TestPlugin::addPlugin` node is a white rectangle on the right. A blue arrow points from the right side of the `installPlugin` node to the left side of the `TestPlugin::addPlugin` node.

TestPlugin::addPlugin
