

jdksavdecc\_descriptor  
\_jack\_set\_jack\_flags

```
graph LR; A["jdk savdecc_descriptor  
_jack_set_jack_flags"] --> B["jdk savdecc_uint16_set"]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text "jdk savdecc\_descriptor" and "\_jack\_set\_jack\_flags". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "jdk savdecc\_uint16\_set".
