

jack_input_desc_count

```
graph LR; A[jack_input_desc_count] --> B[desc_count]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'jack_input_desc_count'. The right box is white and contains the text 'desc_count'. A dark blue arrow points from the right side of the gray box to the left side of the white box.

desc_count
