

getPayloadOffset

```
graph LR; A[getPayloadOffset] --> B[OSNetworkInterface::getPayloadOffset]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'getPayloadOffset'. The right box is white with a black border and contains the text 'OSNetworkInterface' on the top line and '::getPayloadOffset' on the bottom line. A dark blue arrow points from the right side of the left box to the left side of the right box.

OSNetworkInterface
::getPayloadOffset
