```
graph TD; A["thirdparty/cpputest  
/examples/ApplicationLib  
/Printer.cpp"] --> B["Printer.h"]; A --> C["stdio.h"]
```

The diagram illustrates the dependencies of the file `Printer.cpp`. It is located in the directory `thirdparty/cpputest/examples/ApplicationLib`. Two blue arrows point from the bottom of the `Printer.cpp` box to the boxes for `Printer.h` and `stdio.h`, indicating that `Printer.cpp` includes these two files.
