

addFunctionOrdered

```
graph LR; A[addFunctionOrdered] --> B["MockCheckedExpectedCall  
::withCallOrder"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'addFunctionOrdered'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'MockCheckedExpectedCall' on the top line and '::withCallOrder' on the bottom line.
